SAVE OUR SHORES, MAINE

To engage exclusively in activities for charitable and educational purposes within the meaning of Section 501(c) (3) of the Internal Revenue Code of 1986 (or corresponding provision of any future United States Internal Revenue Law), and within these restrictions, the Corporation shall be organized for the following purposes:

- a) to educate the public about the causes of coastal erosion and the actions which may be taken to restore and maintain the coastal ecosystem.
- b) to support the protection of the natural conditions of the coastal ecosystem of Maine in order to preserve the public's recreational, educational, and aesthetic uses of Maine's beaches.
- c) to affect the removal and/or modification of man-made navigational structures in the State of Maine which are a cause of severe beach erosion and harbor degradation.
- d) to restore, as far as possible, Maine's beaches to conditions similar to those which existed prior to construction of man-made navigational structures in order to advance the purposes set forth above and to preserve the beaches' natural beauty and habitat for wildlife.
- e) to offer scholarships from time to time to individuals who display outstanding community service
